In life, you will often find yourself required to make difficult choices. But what makes a choice difficult? Negatives. You may only think of the positives when making a decision, but even good options include some negative characteristics. If you are having a hard time making a decision, use this template to help you think through the options and tradeoffs.

<b>Describe the option</b>	<b>Positive aspects of this option or path</b>	<b>Negative aspects of this selection</b>
Option A:		
Option B:		
Option C:
